1

Click the corresponding button to review your bookings for the last 30 Days, Today, Yesterday or a miscellaneous date range, and then select the button. The orders for the corresponding dates will pull up.

2

Click on the View Icon to view the selected booking
 Click on the Booking Icon to make another booking with the selected booking details
 Click on the Cancel Icon on the selected booking to cancel that booking (Please note: if red then the booking has been cancelled)

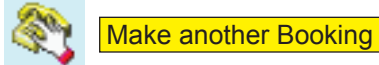

These are the explanations for the icons that appear next to the listings once the button is clicked.

3

Click this icon to review the details of the corresponding order.

4

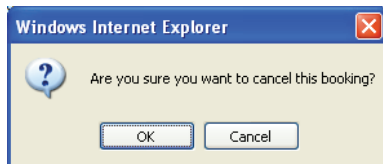

Click this icon to make another order with the same attributes of the corresponding order. (i.e. An order for a different day between the same two pickup and drop-off locations.)

5

Click this icon to cancel the corresponding order. A screen will pop up confirming your request (see below).

6

Click the appropriate button to sort through your orders as all orders placed through our Cabcall system are archived.
